Experience

2024 – PRESENT

Senior Planner / Clermont County Community and Economic Development, Batavia, OH

In this position I worked with a number of different communities throughout Ohio, Indiana, Kentucky, and other regions with planning projects including, zoning ordinance analysis and drafting, comprehensive plan updating, stakeholder and public meetings, as well as staff services.

2023

Planner / Clermont County Community and Economic Development, Batavia, OH

In this position I worked with a number of different communities throughout Ohio, Indiana, Kentucky, and other regions with planning projects including, zoning ordinance analysis and drafting, comprehensive plan updating, stakeholder and public meetings, as well as staff services.

2021-2023

Planner / McBride Dale Clarion, Cincinnati, OH

In this position I worked with a number of different communities throughout Ohio, Indiana, Kentucky, and other regions with planning projects including, zoning ordinance analysis and drafting, comprehensive plan updating, stakeholder and public meetings, as well as staff services.

2019-2021

Director of Planning & Mobility / Downtown Partnership of Colorado Springs, CO

In this position, I coordinated between business owners, residents, city staff, and developers in order to pursue a more multi-modal, pedestrian friendly, and livable Downtown. I managed projects ranging from placemaking to public transit while balancing the wants and needs of stakeholders and serving on advisory and technical committees.

2017-2019

Planner 1 / El Paso County, CO

In this position I am both plan reviewer and project manager. I interpret zoning codes and multiple master plans and prepare written memos and reports for regional governments and public stakeholders. I maintained and processed multiple projects ranging from site plan reviews to subdivisions and zoning amendments.

2016-2017

Planning Assistant / Town of Greenwich, CT

In this position, I worked with Planning and Zoning Staff and catalogued affordability units in the Town, organized historical records, and delivered project applications to the appropriate reviewing departments. I assisted with over the counter questions from the public and familiarized myself planning and zoning procedures.

Education

2016

Master of Regional Planning / University of Massachusetts Amherst, MA

Concentration in land-use planning and economic development. Coursework in urban design, geographic information systems, downtown revitalization, public participation, and comprehensive planning. Regional Planning Studio offered experience analyzing the zoning ordinance of the City of Pittsfield, Ma.

2011

Bachelor of Business Management / Central Connecticut State University, New Britain, CT

Concentration in business organization, strategic planning, communications and marketing.

IN PROGRESS

Online Advanced GIS Certificate / University of Wisconsin, Madison, WI

Online graduate certificate in Geographic Information Systems focusing on programming, story mapping, and cartography.

Activities

Member / American Institute of Certified Planners – 2021 – Present

Member / American Planning Association / 2014 – Present

Executive Committee Member / Ohio Valley Regional Development Commission / 2023 – Present

Board Member / Historic Preservation Board, Colorado Springs / 2020 – 2021
